

# **BTEC AND VOCATIONAL ASSIGNMENTS**

**Each assignment you are given is key to you completing the course and each grade will contribute to your final outcome.**

**Give yourself the best chance of showing off how brilliant you are by taking a moment to form a plan of attack.**

**Here are some top questions to think about before starting each assignment:**

# QUESTIONS

What do I need to do for each part of the assignment? Break it down into smaller tasks.

When do I plan to start work on this assignment?

What are my deadlines for each task? When is my final deadline?

Are there any words I don't understand from my assignment brief or from the lessons? Discuss these with my tutor.

How often will I ask my tutor to review my work?

How am I going to check that my work is accurate, well written and the best version I could possibly submit?
