## **Drama and Performance Graduate**

Hi Everyone! My name is Olivia. When I finished school, I went on to do a BTEC at my local college. I loved getting the bus in everyday and gaining independence. I was amazed that I was able to do the one subject I loved all day everyday (Performing arts). The fact that I enjoyed college so much meant that I got the best out of it and achieved grades I wouldn't have dreamed of!

I wanted to follow the same path at university and again I loved it and achieved the best grade possible (YAY). I am a Drama and Performance graduate. I loved university and the opportunity I've been left with since graduating is priceless.

I have a passion for making social media content to help young people like you that may be thinking about university. Don't forget to check out the 'University Insiders' social media if you want to see!
